Following an opening prayer offered by Ralph and the introduction of Katie Tomlin as an intern working with Emily Ruppert in Children's Ministry, the following agenda items were discussed:

- The April 8, 2015 minutes were approved with one correction regarding the date the meeting
- Ralph provided an update from the Capital Campaign Committee which is reviewing potential contractors to assist us with fund raising. Currently 4 consulting firms have been identified by the Committee which plans to interview them within the next 60 days. Any recommendations from the Committee will be forwarded to the CLC for consideration.
- Terry reported that Mike Molzahn will be meeting individually with all of the staff on June 16 in 45 minute increments to discuss space needs for ministry. Since Jennifer will be out of town that week, he will return to meet with her the following week. Committee members are invited to participate in any of the discussions. When Mike has developed conceptual plans, Terry will let the committee know.
- It was agreed that an update on the SCC should be developed for the weekly email to the congregation. Terry will work with Heather in developing a brief status on our efforts.
- Ralph reported that Mike Tippin, City of Virginia Beach Public Works Engineer, referenced VBUMC in a recent update to City Council regarding the infrastructure upgrades on Pacific Avenue. He described the coffee and refreshments provided to the work crews who often worked in inclement weather and how appreciative they were of the church's hospitality.

- Following a closing prayer offered by Karen, the meeting was adjourned.
